PREMIER ARTS COLLECTIVE MISSION STATEMENT

Premier Arts Collective is an experiential non-profit organization offering healing and therapy through the arts and music to serve the underprivileged and those affected by trauma and abuse.

Headquartered in Greer, South Carolina, Premier Arts Collective is forging a new path to serve survivors of trauma, abuse and oppression. We fulfill our mission by partnering with passionate artists, musicians and organizations around the world who are committed to healing and hope.

Since 1998, our ministry has existed to love and serve the impoverished by meeting their physical, spiritual, educational, social and emotional needs; thus, empowering them to be agents of change in their own communities. As an international Christian charity, we have always been committed to being a voice for the disadvantaged. When we show the love of Christ in tangible ways, such as through the arts and music, barriers are broken down, people are healed, and communities are restored. We provide critical art and musical experiences with independent therapeutic programming to aid in recovery and restoration for those in need of hope.

Premier Arts Collective is the non-profit ministry of Premier Productions, Premier Vacations & Events and Premier Festivals.

“My command is this: Love each other as I have loved you.”
- John 15:12
